

Self-drive instructions from Calais to trailAddiction (The Eagle's Nest & The Goat Shed)

trailAddiction

1) From Calais follow motorway toll-roads along the general itinerary Calais – Arras – Reims – Troyes – Dijon – Lyon – Chambéry – Albertville – Moutiers – Bourg St. Maurice (*Haute Tarentaise*)

2) Approximately 20km (13 miles) **after** Moutiers and **before** reaching Bourg St. Maurice turn right off the main highway following the sign for Landry, Peisey-Nancroix and Vallandry. Follow this road through Landry and up into the mountains until you come to Peisey-Nancroix.

3a) For **The Eagle's Nest**, turn left immediately before the entrance to Peisey village, following for *Le Villaret*. Go up the hill, continue in the same direction until you start descending. Follow down past various buildings and a ski-lift on your right. Immediately before a small chapel, turn right and see the trailAddiction banner on the chalet in front of you. You have arrived!

3b) For **The Goat Shed**, drive straight through Peisey. Exit the village and continue on the flat mountain road. Upon your approach to *Moulin*, you will soon see a petrol station on your left. Park your car on the right-hand side of the road, opposite the petrol station (it's best to park your car up here as the lower streets of Moulin are very narrow and there isn't much space for parking in amongst the houses). From here it's 1 minute on foot to the chalet: head down to the fountain past the small church, turn sharp right and The Goat Shed is the 2nd building on the right with a small driveway. You have arrived!
